To the Public of Afghanistan and the World:

First of all, I thank various strata of the Afghan society who consider the current Islamic Jihad as their religious obligation and have passed through coils and fatigues in the path of Jihad and struggle in the past decade. They extended all-sided cooperation to Mujahideen and fulfilled their Jihadic obligation. But in order to save yourselves from wasting your sacrifices rendered in the past decade, you should further continue the cooperation. If a person is able to wage Jihad physically and with a weapon, he should do his obligation. The men of letters should put to work their pens in the cause of defense of their religion and the well-to-do should spend their wealth in procurement of Jihadic necessities.

We urge the Muslims of the world to support the Mujahideen through their material and spiritual support. Similarly, we urge independent people and personalities of the world to support the legitimate defensive struggle of the Afghans and do not allow the tyrannical arrogant to coerce the oppressed people of the world to become exposed to the wicked and tyrannical motives of the arrogants simply because they use force and violence.

To end I once again extend my felicitation on the occasion of the Eid to all Muslims of the world, to all miserable Afghans, to fighters at the strongholds, to Mujahideen prisoners, to families of martyrs, to all orphans of the cause of Jihad, to widows and all affectees. I call on the wealthy people of the society not to forget the needy and indigent men in these days. At the end, I ask the Almighty Allah to bestow on us the coming Eids in a time that we are living under the shade of a peaceful, independent and Sharia-based Islamic regime. Amen. Peace be on you all!

Servant of Islam, Amir-ul-Momineen
Mullah Mohammad Omar Mujahid
