LISTEN TO THE WORLD OF ISLAM

“The ongoing issue in the country which came about ten years ago has been between two fundamental elements: on the one side is Islamic Emirate of Afghanistan and on the other is the United States of America and its foreign allies. The stance of Islamic Emirate of Afghanistan from the beginning has been to bring about the **end of the invasion of Afghanistan** and to let the Afghans **establish an Islamic government** of their own choosing which does **not pose danger to anyone**.”

ISLAMIC EMIRATE OF AFGHANISTAN
Regarding negotiations

“Similarly, **the past ten years has also been a good lesson for the world**. They wanted to **completely eradicate Islamic Emirate** but everyone can see that **the result has turned out quite the opposite**. Even in midst of all these harsh conditions, Islamic Emirate has not only come out triumphant but it has also matured in shaping its policies and decision-making; it strengthened and extended its bonds amongst its people and it also proved that it can not be defeated militarily.”

ISLAMIC EMIRATE OF AFGHANISTAN
Independence of Islamic Emirate in its decision-making

“We shall **not stop our armed Jihad for a single moment as long as the invaders are present on our soil** as it would be contradictory to the goals of our decade old Jihad and as long as the occupiers have not been completely gotten rid of, Islamic Emirate shall never consider ceasefire even for a single instance.”

ISLAMIC EMIRATE OF AFGHANISTAN
Regarding the session convened in berlin under the orders of America

“It is for this purpose and for bringing about peace and stability in Afghanistan that **we have increased our political efforts to come to mutual understanding with the world in order to solve the current ongoing situation**. But this understanding does not mean a surrender from Jihad and neither is it connected to an acceptance of the constitution of the stooge Kabul administration but rather **the Islamic Emirate is utilizing its political wing alongside its military presence and Jihad in order to realize the national and Islamic aspirations of the nation and its martyrs**.”

ISLAMIC EMIRATE OF AFGHANISTAN
Regarding the ongoing situation in Afghanistan

“...**These crimes** are not the personal crimes of a few of your soldiers but this is **the real face of your governments and military organs** which is being exposed to the whole world...These actions of yours will definitely (if Allah wills it) **be judged heavily**; our determinations are strong and we will not waver...**Hundreds of our martyrdom seeking Mujahideen** are eagerly awaiting their turn while thousands of our enraged Mujahideen are marching to confront you. You shall certainly have to face retribution for your crimes and **your necks shall certainly be broken**.”

ISLAMIC EMIRATE OF AFGHANISTAN,
regarding the despicable actions carried out by British soldiers against Afghan children
